THIS DOCUMENT CONTAINS INFORMATION AFFECTING THE NATIONAL DEFENSE OF THE UNITED STATES, WITHIN THE MEANING OF TITLE 18, SECTIONS 793 AND 794, OF THE U.S. CODE, AS AMENDED. ITS TRANSMISSION OR REVELATION OF ITS CONTENTS TO OR RECEIPT BY AN UNAUTHORIZED PERSON IS PROHIBITED BY LAW. THE REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

50X1-HUM

1. [redacted]
2. [redacted] it was snowing and visibility was bad. In Riga it snowed and the temperature was a few degrees below freezing; visibility was bad. [redacted] there was a light fog. [redacted]
3. [redacted] 50X1-HUM  
freighter of about 3,000 tons [redacted] entering the harbor. The freighter had a number of cranes aboard as deck cargo. [redacted] outside the Daugava estuary [redacted] a minesweeper [redacted] It 50X1-HUM  
differed from other minesweepers observed. It had the following markings on the funnel from top to bottom: white ring, red ring, green ring, red ring, green ring, red ring. The sweeping gear which normally is fore was aft. It had a cannon fore and one aft and anti-aircraft guns were observed on the deck. The funnel was high and the vessel had a tripod mast. 50X1-HUM
4. Vessels in the harbor included:
- a. A training or depot ship of about 8,000 tons, straight bow, rounded stern flush deck, high straight funnel aft of the bridge, two tall masts with heavy yards, barrel-like object on the first mast, numerous anti-aircraft batteries all over the vessel. Larger guns were not observed.
- b. A destroyer with a cruiser bow; straight stern; two wide funnels with black smoke caps, located respectively directly aft of the bridge and one-

third of the way from the stern; two tripod masts, the first one tall and located aft of the bridge; the second one low and located directly in front of the second funnel; one cannon on the fore deck; one cannon on the superstructure; one cannon aft of the superstructure; radar scanner on the bridge.

c. Three escort vessels of unstated type.

d. A minesweeper [redacted]

50X1-HUM

5. On land, in the southern part of the harbor, there was a long row of approximately 25 to 30 small vessels. Among these [redacted] approximately five or six MTB's of the same type [redacted] modern, fast, with a cockpit and a hull built like a racer. The other vessels appeared to be small landing craft, 50X1-HUM since the bow was square. At the entrance to the harbor there were four MTB's. [redacted]

50X1-HUM

6. On the eastern bank of the river half-way between the export harbor and the estuary there was a large palace-like building with a large radar antenna. [redacted]

50X1-HUM

7. [redacted] the Soviet freighter Sukhona, unloading cargo contained in sacks. The vessel had gun platforms but no cannon. [redacted] a liberty ship which was unloading piece goods. She was named Stalinabad, Murmansk [redacted] This vessel also had gun platforms but no guns. A lighter on the outside of the ship was receiving cargo in sacks from the vessel. In front of the Stalinabad there was a lighter containing parts of a crane and some railroad materiel such as tracks and locomotive boilers. 50X1-HUM

50X1-HUM

8. On the pier there were a large number of bricks and some oil drums. [redacted] the drums were marked "Deuofa Fredrikstad Margarit".

50X1-HUM

9. In the northern part of the harbor there were seven or eight large cranes and a large coal depot.

50X1-HUM

10. [redacted] The atmosphere was typical of Sunday, and there were many people out walking. [redacted] the dramatic theater was showing a play [redacted] the pictures [redacted] a number of soldiers in brown coats with purple shoulder boards. In a number of military trucks [redacted] similar uniforms and shoulder boards. A great number of soldiers [redacted] had brown uniforms with blue shoulder boards and a silver-like airplane propellor. [redacted] the price for a pair of ordinary black shoes was 350 (type of currency not specified - presumably Latvian).

11. There was very little air activity, probably as a result of the bad weather. [redacted] four twin-engined transport planes landing at the airport.
